“Striving for Excellence”

Values: Respectful, Trustworthy and Inclusive

PARENTS & STUDENTS,

How wonderful it is to have all the children back on site after such an extended time. Coming to work is so much more enjoyable when you are surrounded with so many happy faces.

Archie creating cyclones in Grade 1 / 2.

Because we cannot use our bubble taps at the moment, all students are required to bring their own drink bottles.

Thank you once again to all the families who have been so considerate with the drop up and pick up.

DROP OFF AND PICK UP

To assist with this congestion:

- Families with only one child will be dismissed at 3.10pm.
- Families with more than one child will be dismissed at 3.15pm
- Older siblings will collect their brothers or sisters prior to leaving the school grounds.
- Families parked on the outer areas of the carpark, i.e. the tennis court side are to wait on the grassed area.
- Families parked near the median strip closest to the school are to stand on the gravelled area. Teachers will then be able to direct children to the appropriate crossing.

REPORT WRITING

Currently staff are writing reports. As we have mentioned earlier these reports will be a different format from normal due to the extended period of remote learning.

Reports will:

- Not have A-E ratings or the normal progression points.
- Include a written comment on Literacy, Numeracy and Specialist areas.
- They will also include a comment on remote learning.
- A student reflection on remote learning.

Have an enjoyable weekend.

Regards Heather
